AT LIONS GATE

THE TEAM

Keltic Canada Development has assembled reputable, locally-owned firms Rafii Architects Inc., and Pacesetter Marketing to collaborate on the North Shore's new amenity-rich community, Park West at Lions Gate Village.

KELTIC CANADA DEVELOPMENT

Keltic Canada Development acquires, develops, and constructs residential, commercial and mixed-use projects with more than one million square feet under development in Metro Vancouver. Dedicated to creating a superior standard of living, Keltic focuses on luxury and design and is committed to creating a superior standard of living with the highest level of craftsmanship. Keltic develops beautiful, sustainable communities and conducts business ethically, professionally and above all, with integrity, building trust with home buyers.

RAFII ARCHITECTS

Park West was designed by architect Foad Rafii, considered "one of the architects who has shaped the Vancouver of today." Established in 1983, Rafii Architects is renowned for designing high-end, mixed-use and high-rise residential projects in Greater Vancouver and North America. The firm has received more than 14 awards for their impressive portfolio of trendsetting buildings, including two from the prestigious Urban Development Institute.

PACESETTER MARKETING

Pacesetter has been marketing and selling real estate for over 25 years, providing service to Vancouver's leading developers. As a vertically integrated real estate development provider, Pacesetter's services include project analytics and research, strategic planning and feasibility, full creative brand services, project marketing, and sales of distinctive multi-use real estate developments. Pacesetter's marketing and sales teams bring the projects to life and provide the homebuyer with all the pertinent information needed to make an informed decision about their new home.
