

Snowgoose is blissfully free of automobiles. An underground garage beneath the courtyard formed by the townhome clusters does away with surface parking. Here, you may feel "away from it all," yet your view encompasses a Robert Trent Jones II championship golf course. A network of footpaths invite you to short, pleasant strolls to Lost Lake and the shops and restaurants of Blackcomb and Whistler Village. And ski trails provide ski-in access to every townhome.

*Dwarf Dogwood/Bunchberry (Cornus Canadensis)*
