This architectural floor plan illustrates a restaurant layout. The plan includes a bar area at the top with two high-top stools. A central bar counter runs horizontally, with a circular table and two chairs positioned above it. To the right of the bar is a large rectangular table with a star-shaped plant on it. Below the bar counter is a long rectangular table with four chairs. A large square table is located to the right of the long table. The plan also shows a service counter with a menu board and a small square table with two chairs. The layout is designed to maximize space and provide a variety of seating options.
