MAKE A GRAND ENTRANCE

You'll know you've arrived when you pull into Three Harbour Green's large courtyard anchored by granite and concrete pavers, and protected from the weather by a stately porte-cochère. The elegantly appointed foyer with vaulted ceiling, stone floor, and rich detailing welcomes you in style.

LEARN THE TRUE MEANING OF FULL SERVICE

Day or night, the concierge staff at Three Harbour Green are available in the lobby to greet you and attend to your needs.

ENTERTAIN IN STYLE

Just off the main lobby, the Lounge offers an elegant space in which to meet or entertain large groups. It offers guests the comfort and style of a private residence surrounded by the tranquility of numerous water features.

GET YOUR GAME ON

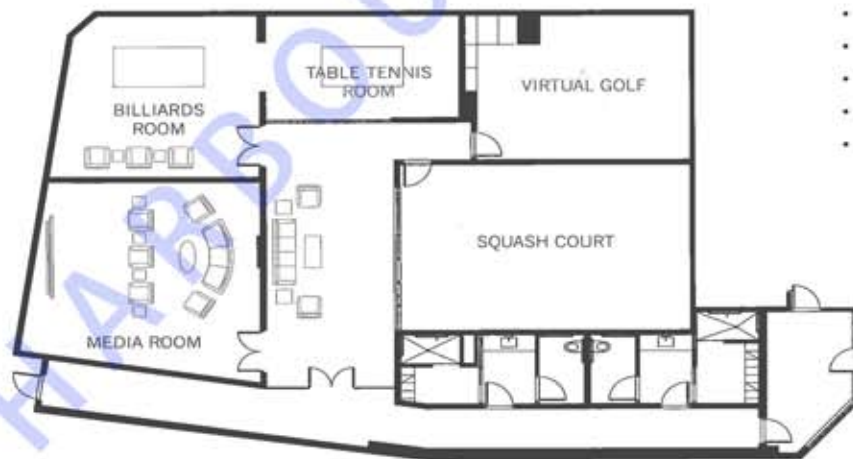

At the touch of a button, you and your guests can play the world's premiere golf courses in our virtual golf room. Or, you can challenge them to a game of squash, table tennis, or billiards in Three Harbour Green's private facilities. It's like having a private club in your own home. The pièce de résistance? After playing your own games, you can watch someone else's in the Media Room, with surround sound and comfortable seating.

RELAX IN YOUR OWN SPA

After a full day, come home to your own resort-style spa. Work out in the fully equipped fitness centre, or take a leisurely swim in the 70-foot long indoor swimming pool adjacent to an outdoor sundeck. A whirlpool, sauna, steam room, and private yoga retreat provide a wealth of relaxing options.

HOST WITHOUT NEEDING A HOTEL

There's no need to search for a hotel room when you can accommodate your guests in the elegantly appointed 4th floor guest suite.
