Amenities

Concierge

A first in Canada, the Concierge team is there to ensure that you have what you need, when you need it. Whether you are booking a trainer, masseuse or yoga teacher for a session in the wellness centre, the full-time Amenity Concierge is there to help. From organizing reservations at the city's best restaurants to planning the perfect soirée, the Concierge is ready to help, with full access to a star chef, an event planner or any member of the Star Services Team.

Wine Cellars and Tasting Bar

Store your finest wines in the secure, climate-controlled wine room and invite your guests for a wine tasting event at the tasting bar. Call in the Star Wine Expert to make recommendations or to help manage your collection.

Tenth-Floor Outdoor Terrace

For dining, entertaining or just sitting by the fire, this exclusive space offers an outdoor chef's kitchen and cocktail stations in an exclusive location that puts you far above the city and under beautiful Vancouver skies.

Indoor Family Dining Area

For holidays, a Sunday dinner or a catered event, the 7th floor dining room is complete with everything you need for a flawless affair, including a gourmet kitchen inspired and approved by Chef Alex Chen.

Outdoor Family Area

With an extensive sundeck, a dining table to fit an extended family, a firepit and comfortable chairs for lounging, this outdoor space is the perfect place for family get-togethers.

Seventh-floor Outdoor Lounge

Dining, relaxing, or simply having a drink under the stars, the outdoor lounge puts you under the stars and above the street.

Fitness Facility

Whether working out on your own or with your personal trainer, the state-of-the-art fitness centre has everything you will ever need. With a wide range of cardio equipment, weight machines, free weights, spacious stretching areas, and beautifully appointed men's and women's change rooms, this is one of the most complete private fitness facilities in the city.

Yoga Spaces

Practice alone or with your personal instructor. Both the indoor and outdoor yoga spaces are equipped with mats, bolsters and all the accessories of a first-class yoga studio.

Full-Length Lap Pool

A perfect way to start the day, or wind down for the evening. Enjoy a few laps in the pool and then relax in the hot tub, or stretch out on a poolside lounger in the sun-filled aquatic area.

Sauna and Steam Rooms

Relax and rejuvenate at your leisure in the spacious sauna and steam rooms adjacent to the fitness area.

Private Spa Treatment Rooms

For a massage or a facial, a session with the city's top skin and body care specialists is only steps away in the fully-equipped and luxuriously-appointed private spa area.

Children's Clubhouse

At Club One, even the kids have their own special place. For parties or playtime, the Clubhouse is the place to be.

Music and Study Rooms

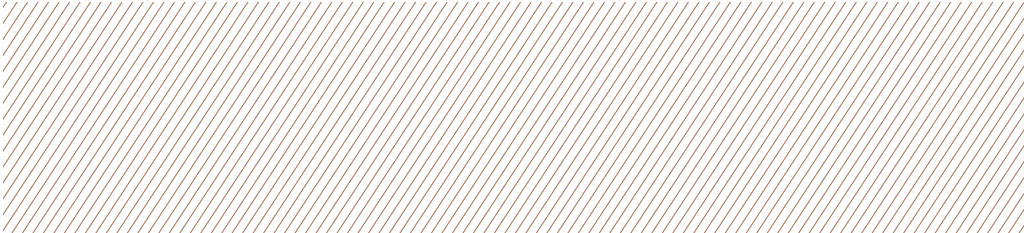

Meet with a tutor, have a group study session, take a music lesson or enjoy your daily piano practice without ever having to leave home.

Coworking + Business Centre

Whether you're hosting your charitable board meeting or collaborating with colleagues, the co-working + business centre at 2 BURRARD PLACE offers a respite from your home and your office with an inspiring courtyard outlook.

Library Lounge

Come home to 2 BURRARD PLACE's comfortable Library Lounge. Offering a cozy fireside lounge, you can wait in style for your Uber driver, or book the entire lounge for a L'adurée-catered cozy night in with friends.
