A rare find! A flat, easily accessible, 0.59 acre lot in central Oliver, BC, currently zoned to allow 4 residences on site. Located walking distance to town, schools and all amenities.

This home is ideal for a buyer looking to build their investment portfolio or ready to take on a project and transform this home along with the detached workshop. This space can double as a man cave, shop or storage area!

Cool off on hot summer days with the in-ground pool and utilize the outdoor space for the garden of your dreams! Enjoy plenty of parking for all your vehicles, toys and more!

The opportunities are endless; build your ideal workshop, multiple dwellings, or start completely over!

Potential for rezoning, contact listing agent for more details.
