Discover the perfect blend of modern sophistication and effortless living in this beautifully updated 2-bedroom condo. Designed with a contemporary flair, the home features a bright, open floor plan highlighted by fresh paint, new trim, and stylish flooring throughout. The heart of the residence is the stunningly renovated kitchen, boasting sleek stainless steel appliances and a functional pass-through with bar seating—ideal for casual dining or hosting friends. Storage is a breeze with a dedicated large pantry and storage area right at your fingertips. Every inch of this home has been thoughtfully refreshed, including a brand-new bathroom featuring a luxurious tile walk-in shower. For year-round comfort, the unit is equipped with efficient ductless heating and cooling. Step outside to your private patio, a quaint outdoor retreat where you can enjoy peaceful mountain views. Situated in a secure, mature living complex, this property is fully wheelchair accessible via elevator and offers a vibrant community lifestyle. Residents have exclusive access to a wealth of amenities, including a fitness area, games room, library, and a guest suite. The social hub features a common room with a commercial-style kitchen and a dance floor for events. Complete with covered parking and plenty of visitor spots, you are just a short walk from the rec center, shopping, and scenic river hike and bike paths. This is central living at its absolute finest.
