

Welcome

# 9767 Tuttle Road

THE FOLLOWING INFORMATION COINCIDES WITH WHAT IS IN THE LISTING. PROVIDES MORE DETAILS FOR YOU.

1 The two bedrooms off the entry way were converted. The walls put up to create the bedrooms are removeable if desired.

---

2 The french doors were added to the dining room to create the bedroom and can be easily removed.

---

3 The bedroom to the left of the entry way was originally a sitting room. The wall going into the room was added and the closet/closet wall were added. Both can be removed. The sitting room originally opened to the first floor library/office.

---

4 The bar in the basement is plumbed for a sink and the sink/kit is in the closet next to the bar (it stays).

---

5 You'll find a man cave and a she cave in the basement. Two offices/spaces. She cave is a dual office and craft room with a green screen for recording.
