

The background of the entire page is a top-down view of a white marble surface. In the top left, there are delicate green fern fronds. Below them is a square wooden object with a woven, geometric pattern. To the right of the wooden object is a dark grey square sample with a recessed corner. Below that is a rectangular sample with a light brown, fibrous texture. Further down is a rectangular sample with a dense, pebbled texture in shades of brown and grey. To the right of these is a rectangular sample with a dark wood grain on top and a light wood grain on the bottom. In the bottom left, a fan of color swatches is partially visible, showing a gradient from light grey to dark blue. In the bottom right, there is a larger, more vibrant green fern frond.
