WELCOME HOME TO WEST PARK!

The modern open floor plan creates a seamless flow throughout the main living areas, with sleek vinyl plank flooring that combines style with durability. The bright white Kitchen is a standout, featuring soft-close cabinets, stainless steel appliances, and a convenient bar for casual seating or entertaining. It's the perfect space to gather with family or host friends.

The fully finished Basement adds versatility, complete with a spacious family room that's ideal for movie nights or a home gym. A second full 4-piece Bath on this level offers added convenience, making it a functional space for guests or busy households.

Outside, the home's stylish updates continue. The vinyl siding and brand-new sod, installed in August, enhance the curb appeal, while mature trees add character to the fully fenced yard. Additional parking out back complements the oversized, heated double garage, providing ample space for vehicles, hobbies, or storage.

Located in the desirable neighborhood of West Park, this home puts you just minutes from schools, shopping, transit, and everything you need. It's the perfect choice for those seeking a modern, updated home in a convenient location.
