

8433 Lochside Drive, Victoria, British Columbia

The moment you enter the gates of this Saanich Peninsula waterfront acreage, panoramic views of the Cordova Straits greet you. This West Coast oceanfront estate rests beautifully amongst tastefully landscaped grounds. Featuring stunning ocean views from virtually every room, dramatic vaulted ceilings, gleaming hardwood floors, spacious open concept design and a gorgeous custom kitchen, this 6 bedroom, 5 bathroom property delights. French doors off the kitchen lead to your outdoor entertainment/living space which also features an outdoor kitchen and sweeping ocean & mountain views. The pathway from the front of the house meanders past the professionally landscaped gardens, the koi pond and down the side of the home onto your expansive waterfront patio. This spectacular outdoor living space is heated by a beautiful built-in seaside fireplace that is just the finishing touch for this amazing home. A 4-car garage that features a separate studio suite completes this true West Coast gem.
