CHIEF BUILDING OFFICIAL

This permit is issued pursuant to the authority contained in the City of Victoria Building Bylaw. In addition, the issuing of this Permit shall not relieve the owner or occupier from the responsibility of complying with the Zoning and Development Bylaw or any other pertinent Bylaw, Acts or Regulations. This Permit is not a representation or warranty that the Bylaws of the City of Victoria or other enactments have been complied with, since resource at the City only permit random review and inspections. The City of Victoria will accept no responsibility or legal liability should any person suffer loss, injury, or damage as a result of the building not complying with Bylaws. Accordingly, persons should make such independent investigations or inquiries as they see fit to determine whether the building complies with all relevant Bylaws or enactments.
