

Dear Strata Lot Owner:

PARKING AND LOCKER ASSIGNMENTS

Effective January 1, 2014, your Strata Corporation is required to disclose the current parking and locker assignment (if applicable) to a prospective purchaser via the Strata Corporation's Information Certificate (FORM B).

With your Strata Council's assistance we have compiled the attached schedule of Parking Stall and Locker Assignments. Please review the schedule and ensure that the Parking Stall and Locker assigned to your strata lot is correct. If your current assignments are not correct then please contact me at cambrus@pacificquorum.com.

In the event that you decide to sell your strata lot then the information on the attached schedule will be disclosed to prospective purchasers.

Thank you for your assistance and co-operation

Yours truly,
PACIFIC QUORUM PROPERTIES INC.
As agents for Strata BCS 2557
