The Yellow Rose Cottage

Step into the enchanting Yellow Rose Cottage—a Scandinavian-inspired haven where coastal charm meets modern comfort.

A sanctuary of warmth and efficiency, the Yellow Rose Cottage boasts heat pumps, in-floor heating, and a cozy wood-burning fireplace promising year-round coziness and relaxation. Whether you're lounging by the fire or hosting friends, the Yellow Rose Cottage is the ultimate retreat-style home where, every day, you will pinch yourself wondering how you got so lucky to live in such paradise.

Immerse yourself in the coastal lifestyle with two beach access points just moments away. Experience the ultimate in coastal living as you create cherished memories in this thoughtfully upgraded, efficient, and inviting property.

Within the mature gardens, discover plenty of hidden spots to enjoy a relaxing sunny day. Whether it's sipping morning coffee on the front patio, dining amidst the garden's beauty, or unwinding under the pergola with drinks, the Yellow Rose Cottage beckons you to embrace the coastal lifestyle and make it your own.
