Pride of ownership shows in this wonderful home in Chase River. There are 2 bedrooms on the main floor plus a den (designed as a 3rd bedroom) and 2 full bathrooms, heated and cooled by an efficient heat pump. Down the stairs is a bonus room perfect for a tv room, office or play room as well as a large undeveloped space with a walkout which could be developed to suit your future needs. This home has newer kitchen appliances, updated cabinets, new counter tops and new back splash in the Kitchen and bathrooms. New flooring in main area and bathrooms as well as new baseboards through out compliments the updates in this home. Plenty of parking spaces for your RV, Boat and vehicles as well this property has low maintenance landscaping with an underground sprinkler system. With a large garage and plenty of storage this home has it all.
