Slocan Valley

The distinct historical origins of each community in the Slocan Valley have shaped what they are today. Each community has its own flavour and character and are home to friendly and closely-tied residents. The Slocan Valley is comprised of three municipalities in the north: New Denver, Silverton and the Village of Slocan, and roughly 18 other unincorporated communities in Area H of the Regional District of Central Kootenay (RDCK). In the south end of the Valley, communities like Crescent Valley, Slocan Park and Winlaw offer a variety of services for locals and visitors.

New Denver

New Denver has a varied history. From the boom of mining town days, it became an internment centre for Japanese during the Second World War and is now enjoying a renewed interest from people seeking to find a quiet lifestyle away from urban centres. Situated on Slocan Lake, known for its warm water temperatures, it is surrounded by spectacular mountains and parks: Valhalla Provincial Park, Kokanee Glacier Provincial Park and further west, Goat Range Provincial Park. There is no shortage of things to do and see. Nine-hole golf courses in the area, soccer pitches, skating arenas and first-class mountain bike trails round out the rural lifestyle.
