REAL ESTATE  FAIR REALTY

DETAILS

Downtown Kaslo Living! This 2BD, 1BA + den home offers convenience in the heart of Kaslo. Set on a larger lot backing onto the Kaslo River and scenic walking trails, it's an ideal spot for those who love nature and village life. The home has seen upgrades over the years, including a custom 4-pc bathroom, new flooring in part of the home and enough to finish the house.

A detached shop/storage adds practicality. Step outside and enjoy the views from the sundeck off the living room, woodstove to keep you cozy in the winter. Just moments from Kootenay Lake, the SS Moyie, the Langham Cultural Centre, cafés, shops, and more. Here, history, culture, and recreation are all within easy reach.

Size: 75' x 110'

Services: municipal water, septic, hydro, high speed internet, telephone and satellite tv available

Kaslo

Kaslo, with a population of just 1,000 is actually the largest community on the main body of Kootenay Lake. Kaslo is nestled in a valley, surrounded by a lush forest and Kootenay Lake. Downtown is thriving with artisans and artists, and a beautiful park with pristine beaches lines the village. Heritage buildings have been lovingly restored, along with the S.S. Moyie, the world's oldest intact sternwheeler.

The area's waterways and surrounding mountains provide plenty of opportunity for outdoor adventure.

Outdoor Recreation

Explore Kootenay Lake in a powerboat, sailboat, kayak, or canoe. Renting a houseboat from Kaslo's Shipyard's fleet is another option. Go hiking on groomed trails or wilderness terrain in provincial parks. There are no less than five of these (and one rugged conservancy) nearby, including the stunning Kokanee Glacier Provincial Park. Boating, sport fishing, swimming, water-skiing, kayaking, canoeing, scuba diving, hiking, mountain & tour biking, ATV touring, golfing, horseback riding, cross-country skiing, snowmobiling, cat-skiing, heli-skiing, paragliding.

Weather

Average Yearly Rainfall (mm): 698

Average Yearly Snowfall (cm): 188

Average Highest Temperature (c): 25

Average Lowest Temperature (c): -5

COMMUNITY INFORMATION

Recreational Facilities

Facilities in and around Kaslo include a 9 hole golf course, Ice Arena for public skating, hockey and curling, a number of Provincial Parks and campgrounds, a skateboard park, public beaches, tennis courts and riding arena.

Historic and Heritage Sites

Kaslo village itself is home to several important historic and heritage sites including the SS Moyie, the world's oldest intact passenger sternwheeler. Its restoration has been passionately pursued by spirited volunteers for more than half a century. Abroad the SS Moyie enter a world of classic Victorian design and engineering and learn a whole lot about Kootenay Lake history.

Festivals and Events

Give a big round of applause to this tiny community for hosting an exceptionally charming jazz event.

The Kaslo Jazz Festival draws music-lovers from far and wide in August, as people come to see live music from international swing, blues and jazz musicians. The music festival has been staged every August since 1991. Audiences line the beach to enjoy incredible jazz music performed from a floating stage.

The IDidaRide and Run is another popular event for keen runners and mountain bikers, held in August. The event offers five events-three rides and two runs. The 41km is a ride only, while the 20km and 8.5km are ride or run events.

May Days is a century old Kaslo tradition, featuring maypole dancing, loggers' sports, and a parade that offers double the fun by circling the village centre twice.

Geography

The village of Kaslo is the largest community located on the main body of Kootenay Lake. Most of the village of Kaslo sits on the floodplain formed by the outflow of the Kaslo River. The remainder of the village is located on bench land above the downtown core. The village is framed by the Purcell Mountain Range to the east and the Selkirk Mountain Range to the west. Mount Loki (2,779m/9,117ft) rises dramatically across Kootenay Lake and is a popular hike for locals. The Selkirks are home to the Goat Range and Kokanee Glacier Provincial Parks. Both parks offer a full range of four season recreational opportunities.

Economy

Overall, the average employment rate of Kaslo, BC is growing at an average of 0.14% per year over the past 15 years. In the last two census, its employment rate grew by 9 per cent, an average growth rate of 4.57% from 2011 to 2016. A growing employment rate signals that competition between job applicants are intensifying and that finding a job is becoming harder. It can also mean lower tax revenues for governments in the next few years, as people will have lower incomes to be taxed.

Government

The Village of Kaslo is governed by a Mayor and four councillors and is administered by three professional staff.
